PART NUMBER: FE-832EF

LOT NUMBER: 967516

QUANTITY: 10080

The PEN'S/Standard Insert fastener is a proprietary product with specifications and performance characteristics as set forth in our published literature. This certificate asserts that the fasteners supplied under this order are in full compliance with these specifications and performance requirements. Quality information, including statistical control data, is on file at our manufacturing location to support this certification.

All of these records, techniques, and specifications are not necessarily in compliance with the complete terms of your order; however, the information contained on your specifications and drawings has been taken from our bulletin describing these fasteners, and to that end we certify that these fasteners will meet all specifications and requirements of that bulletin. Objective quality evidence substantiating this statement is on file at our facility.

We further certify that no mercury, mercury compounds, or polychlorinated biphenyls (PCBs) have been used in the manufacture or processing of this fastener.
